WORK EXPERIENCE

Drexel University

2020 - PRESENT

Graphic Designer

- Pitched several successful branding concepts for Drexel University events including Alumni Weekend 2023, Turkey Project 2024 and Drexel Night of Networking 2024.
- Designed mailers, programs, publications, event merchandise and other print materials. Prepared projects for print production and served as merchant and printer liaison.
- Produced static and motion graphics for social media and email.

Clark County Historical Museum

2019

Senior Seminar App Designer

- Assisted in the development of Historic Routes: Tour of Historic Sites of Downtown Vancouver through contributions to brand concepting, UI design, icon development, and photo manipulation.
- Independently designed the app's sole promotional postcard.

KOUG Radio

2017 - 2019

Tech Director

- Contributed to revitalization and continued operation of Washington State University Vancouver's underperforming student radio station as a member of leadership.
- Resolved all technical issues, including overseeing the installation of a new broadcasting system and equipment. Provided technical support to show hosts and assisted with volunteer training.
- Designed digital graphics and maintained the station website.

UStore Woodland

2016 - 2019

Storage Representative

- Managed paperwork processing, data entry, filing, storage rentals, supply sales, payment processing, and provided customer service.
- Addressed basic facility maintenance and sanitation.
